

**LIFE 2016 BE REEL!**  
Learning and Support Program  
for local authorities

**Local Transition Renovate 2050**

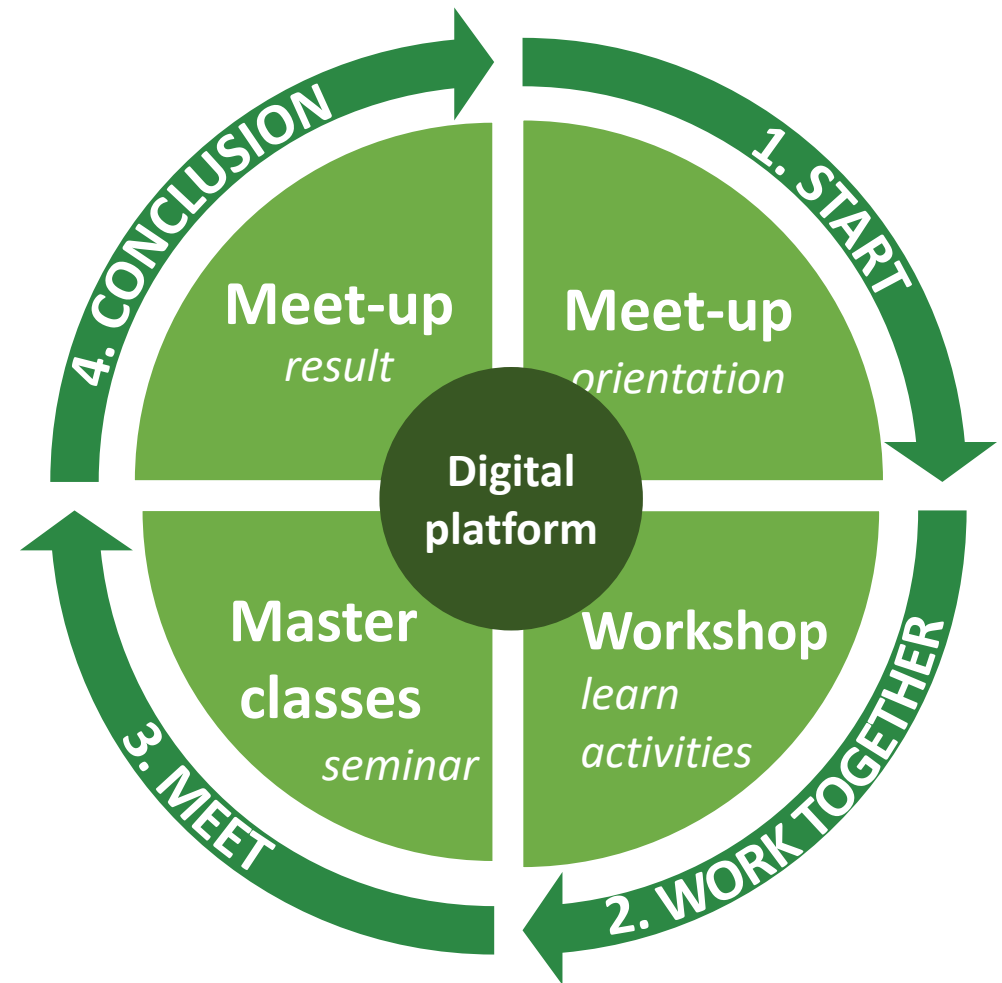

First Meet-up  
22/05/19  
Brussels

**LIFE IP CA 2016 BE-REEL!**  
With the contribution of the LIFE financial  
instrument of the European Union

- The EU climate and energy targets should renew **policy framework** for the **local housing market** to guarantee the quality of houses in the future
- **Action plan for Renovation 2050** should be an essential part the sustainable energy and climate action plan (SEAP) of the Covenant of Mayors
- By implementing **long-term policy** achieving socio-economic benefits, in addition to gains for energy and climate.
- Necessity of **coordination** between **different policy areas** at local and regional level

Providing local authorities  
with innovative measures  
for setting up  
an active renovation policy  
on deep retrofitting  
of dwellings

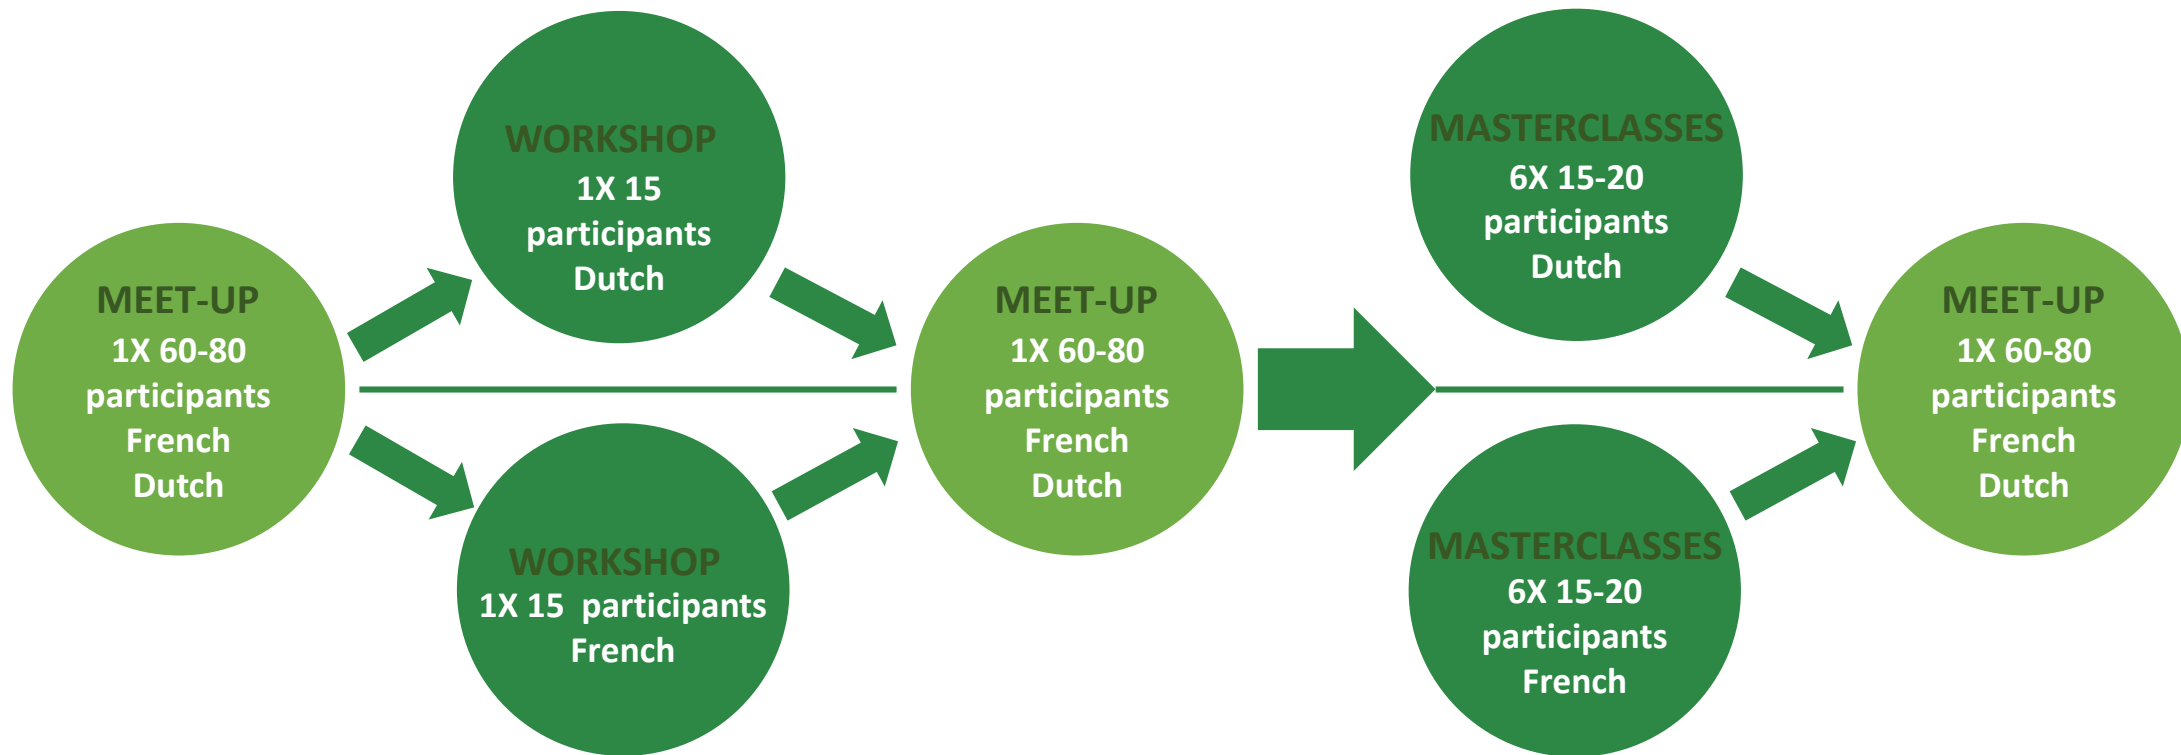

- **VEA** – Flemish Energy Agency – coordinates the BE REEL! project.
- **Region Wallonia - DG04**
- **KVS** – Knowledge Centre for Flemish cities
- **Brulocalis** – Association of city & municipalities of Brussels
- **VVSG** – Association of city & municipalities of Flanders
- **UCVW** – Association of city & municipalities of Wallonia

## Cities and municipalities from Flanders, Wallonia and Brussels

- Municipalities **with and without** experience around deep renovation.
- **Large, medium-sized and small** municipalities.

- Colleges and interested politicians
- Administrative Municipal Services
- Intermunicipalities

PARTNERS	PROJECT	RENOVATIONS
Antwerp	<ul style="list-style-type: none"> <li>• Collective renovations</li> <li>• Low energy apartments</li> <li>• Budget-neutral renovation with vulnerable groups</li> <li>• Energy investments for the vulnerable</li> </ul>	<ul style="list-style-type: none"> <li>• 750 houses</li> <li>• 3350 units in 45 apartments</li> <li>• Up to 100 energy loans</li> <li>• Energy savings in 700 houses</li> </ul>
Ghent	<ul style="list-style-type: none"> <li>• Collective renewable energy</li> <li>• Collective renovations</li> <li>• Low energy appartements</li> <li>• Sustainable neighbourhoods</li> </ul>	<ul style="list-style-type: none"> <li>• Connect 100 houses</li> <li>• 560 houses</li> <li>• 1200 units in 100 apartments</li> <li>• Energy savings in 100 houses</li> </ul>
Mechelen	<ul style="list-style-type: none"> <li>• Collective renovations</li> <li>• Collective renewable energy</li> <li>• Budget-neutral renovation with vulnerable groups</li> </ul>	<ul style="list-style-type: none"> <li>• 125 houses</li> <li>• Connect 400 houses</li> <li>• Up to 75 energy savings</li> </ul>
La louvière	<ul style="list-style-type: none"> <li>• Third party investment for energy efficient renovations</li> </ul>	<ul style="list-style-type: none"> <li>• 600 houses</li> <li>• 200 apartments</li> </ul>
Mouscron	<ul style="list-style-type: none"> <li>• Increase quality of life trough energy savings and insulation</li> </ul>	<ul style="list-style-type: none"> <li>• 900 houses</li> </ul>

## Interregional character

- Exchange across the Belgian regions.
- Regional Renovation strategies 2050.

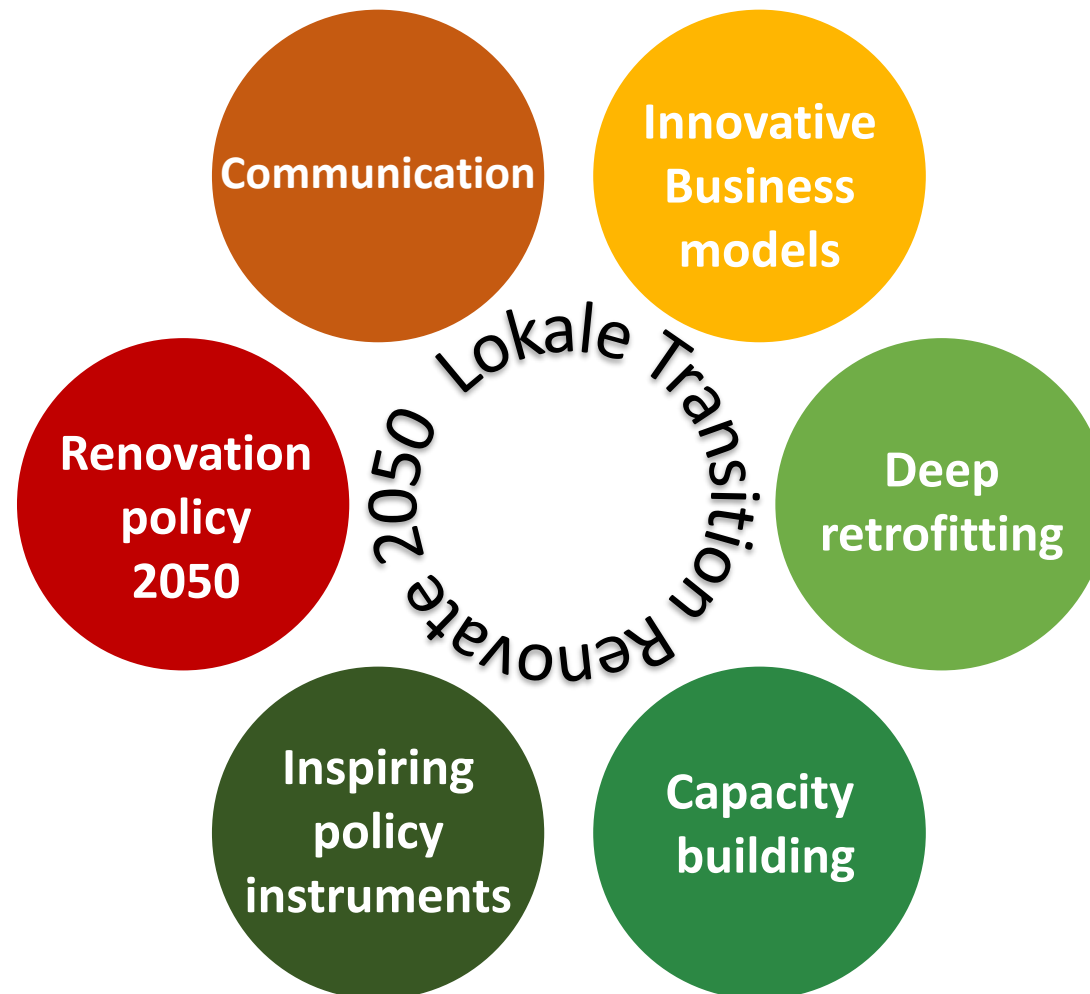

## Part of a bigger whole

- Possibility to take part in **BE REEL! Interregional Learning Network** to dig deeper into a theme.
- Turn plans into action through **RenoBizz**

## Local authorities who want to exchange experiences, share and build knowledge on deep renovations.

- No financial contributions.
- Voluntary basis.
- Join at any time.
- Condition is willingness to learn and collaborate.

## Deep renovation of dwellings in Belgium.

## ROOM 1

## ROOM 2

## ROOM 3

45' TIME  
BLOCK 1

**Renovation  
policy  
2050**

**Inspiring  
policy  
instruments**

**Capacity  
building**

45' TIME  
BLOCK 2

**Communication**

**Innovative  
Business  
models**

**Deep  
retrofitting**

**“ What are the barriers and/or opportunities for setting up an Action plan Renovation 2050? ”**
